Preamble

The *Payroll Tax Act 2008* (the Act), which commenced on 1 July 2008, rewrites the *Pay-roll Tax Act 1971* and harmonises the payroll tax legislation with Victoria and NSW.

Parties to a 'relevant contract' are deemed to be employers and employees (sections 33 and 34 of the Act) and payments made under a contract are deemed to be wages (section 35 of the Act). Deemed wages are subject to payroll tax under section 36 of the Act.

While most contracts for the provision of services come within the meaning of 'relevant contract' under section 32 of the Act, certain types of contracts are specifically excluded from the definition of 'relevant contract'. Where none of the exclusions apply, section 35(2) of the Act allows the Commissioner of State Revenue (the Commissioner) to determine an amount which can be deducted from the payments made under the contract.

The purpose of this Revenue Ruling is to set out those deductions for materials and equipment for certain types of contractors and to outline the manner in which new deductions may be granted.

Ruling

Deductions below are for the non-labour components where the contractor provides equipment and/or materials. Based on submissions made by employers and industry representatives, the Commissioner has allowed the following percentage deductions:
