

How the State Budget affects you

The 2009-10 State Budget supports jobs today by investing in the infrastructure that Tasmania needs for tomorrow

In 2009-10 the State Government is:

- Putting the \$2 billion infrastructure program into action to support Tasmanian jobs and guide the Tasmanian economy through the Global Financial Crisis
- Supporting the jobs of the State's nurses, teachers and police
- Supporting Tasmanian businesses to combat the Global Financial Crisis
- Delivering front-line government services into the communities that need them most
- Making the hard decisions necessary to make the public sector sustainable
