The 2013-14 State Budget is about supporting jobs, reducing inequality, looking after people and creating opportunities for the next generation of Tasmanians.

WHERE THE MONEY IS GOING

“ It is great to know that by building I am also helping to support jobs and put some revenue back into the local economy. ”

Kayla Brabazon, 22, building her first home in Somerset, a successful recipient of the Tasmanian Government's \$15,000 First Home Builder Boost
