We are pleased to provide a submission to the Future of Gaming in Tasmania Consultation Paper 2020, stage two public consultation July 2021.

Shearwater Tavern currently employs 30 employees and has a Bottleshop, Sports Bar, Gaming Lounge, Restaurant, Function Rooms and Outdoor Beer Garden.

Shearwater Tavern is comfortable with where the policy is currently sitting and are happy to support this. We would like the one addition which is to include the 1% levy on EGM revenue which the Tasmanian Hospitality Association (THA) is proposing to assist in funding the THA to support it's members and industry.

Thank you for taking the time to read our submission.
