Hi Dan,

How long do you need for this meeting. I assume James and yourself will be in the meeting with the Treasurer. Do you know Greg's last name or email so I can send the invite out? It might be in MF contacts but will need to know the last name.

Hi Daniel

Thanks for reaching out. That time works for us too.

Hi Daniel,

The Treasurer rang Greg this afternoon offering to provide a briefing in regard to the Government's thinking on harm minimisation technologies on Thursday morning. Greg and I can be available to meet with the Treasurer at 9.30am Thursday and we can meet in person, in the Executive Building.

Can you please confirm that this time works at your end.

Regards
