- 1.80** "With the Field" means an option on the "Quinella", "Exact Quinella", "Trio" and "Trifecta".

## **2 APPLICATION OF THESE RULES**

- 2.1** These Rules are to be read subject to the Act and shall apply to every game of Keno drawn from the TABCORP central operating system.
- 2.2** These Rules are intended to be used during the transition of the current Keno central operating system known as TABCORP, to the FLEXSYS central operating system.
- 2.3** These Rules detail the changes to the operation of the Keno game during the transitional period.
- 2.4** These Rules shall be binding on all Players and by entering a game of Keno, Players agree to be bound by these Rules.
- 2.5** For the purpose of these Rules, singular shall include the plural and plural shall include the singular, as appropriate.
- 2.6** For the purpose of the Rules, a reference to "a person" shall include organisations of persons whether incorporated or unincorporated.
- 2.7** Unless otherwise stated, these Rules relate to the TABCORP Main Keno Game and Feature Keno Game.

## **3 ELIGIBILITY FOR INCLUSION IN A GAME OF KENO**

- 3.1** In order to be eligible for inclusion in a game of Keno, a Receipt Ticket must be issued to the Player, the details of which must be recorded and be resident on magnetic media at the Central Site.
- 3.2** During the transition period of the TABCORP central operating system to the FLEXSYS operating system, the eligibility into a Game of Keno can be determined by the Receipt Ticket:
- (a) The TABCORP Receipt Ticket will display a 16-digit barcode all in numeric values.
- (b) The FLEXSYS Receipt Ticket will display a 27-digit barcode, commencing with the letters TO.

## **4 KEY STAFF**

- 4.1** At the Central Site, a State-wide Gaming Operative shall be present at all times while the game is in progress and is responsible for ensuring that the game is conducted in accordance with these Rules.
- 4.2** In a Licensed Premises and a Casino, a Senior Writer is to be on duty and present at all times while the game is in progress at that Venue and is responsible for ensuring that the game is conducted in accordance with these Rules.

## **5 ENTRY AND ENTRY FORMS**

- 5.1** No person under the age of eighteen years (18) shall be permitted to enter a game of Keno.
- 5.2** An entry into a game of Keno may only be made through an approved Writer Terminal or Self Service Terminal.
- 5.3** Entries to a game of Keno must be made with approved Entry Forms, by way of a Writer Terminal or Self Service Terminal, by replay of a Receipt Ticket, Standard Way Bet or Verbally.
- 5.4** All marks appearing on an Entry Form are deemed to be made exclusively by the Player and it is the responsibility of the Player to ensure that the particulars recorded on a Receipt Ticket are identical to those submitted by the Player, either by way of the Entry Form, Verbal Entry or by way of the Self Service Terminal.
- 5.5** Having completed an Entry Form or verbally stated the required Receipt Ticket type, and satisfied the requirements of a wager, a Receipt Ticket will be issued.
- 5.6** In the event that the particulars recorded on the Receipt Ticket are inconsistent with the particulars held by the Gaming Operator on magnetic media at the Central Site, the latter shall apply to the exclusion of the former and shall determine what prize, if any, a Player is entitled to claim.
- 5.7** Instructions printed on the Entry Form are to be read and construed as part of these Rules.
- 5.8** The Entry Form shall be returned to the Player on request.
- 5.9** Where a Player enters a game of Keno as the trustee, representative or nominee for another person, neither the Gaming Operator, Venue Operator or any other person shall be deemed to have knowledge or to be on notice, whether actual or constructive, of any such arrangement and the transaction will be deemed to have been conducted solely with the Player.
- 5.10** In the acceptance and processing of an Entry, a Venue Operator shall for all purposes be the agent of the Player and not the agent of the Gaming Operator.

- 5.11** Entry into a Set Bet Bonus Prize is via the nominated Set Bet feature. Prizes will be allocated randomly by the System to winning Set Bet tickets taken in the nominated feature. To be eligible for a bonus prize in this feature, the winning ticket must be presented for collection of winnings on the day the last game on the ticket is played.
- 5.12** A Player must be physically present on the premises at the time that an Entry to a game of Keno is made.

## **6 KENO RUNNERS**

- 6.1** A Keno Runner may operate from anywhere within the Venue providing that there is visual access by the public to a game draw display.
- 6.2** A Keno Runner must:
- (a) return to the Player all original Entry Forms and Receipt Tickets;
  - (b) request from the Writer a "Summary Customer Session" whether a win is recorded or not, and return these to the Player.
- 6.3** Any disputes between a Keno Runner and a Player shall be brought to the attention of the Senior Writer.
- 6.4** A Keno Runner will not be responsible for the placement of wagers in any particular game of Keno but will use best endeavours to place the wager in the next available game. Acceptance of wagers does not constitute an official Entry until such time as a Receipt Ticket has been issued.

## **7 JACKPOT**

- 7.1** For the purposes of these Rules, a Player is entitled to the primary prize in the Main Keno Game on correctly selecting:
- (a) MATCH 7 - "7 out of 7"
  - (b) MATCH 8 - "8 out of 8"
  - (c) MATCH 9 - "9 out of 9"
- 7.2** During the transition from the TABCORP central operating system to the FLEXSYS operating system, there will be a period of time where jackpots will be running consecutively on both central operating systems. A Player is entitled to the prize relevant to the Jackpot Prize Pool for which the Receipt Ticket is valid.
- 7.3** Each Player of a winning jackpot ticket will receive the amount due in any game as specified in the Settlement Schedule relating to the game of Keno for which the Player has made a wager. The payment of the primary prize, or any share thereof, to which a Player is entitled under these Rules, is in addition to the amount the Player is entitled to receive as specified in the Settlement Schedule.

**7.4** The following conditions apply to Jackpot entries:

- (a) A total of 10% of all amounts Wagered by Players on the 7 and 8 spot Jackpots shall be allocated to a primary prize.
- (b) A total of 15% of all amounts wagered by players on the 9 spot Jackpot shall be allocated to a primary and secondary prize.
- (c) 15% of the entry will be allocated to the primary prize and 0% allocated to the secondary prize where the primary prize is below \$50,000 (i.e. total jackpot value is below \$300,000).
- (d) 10% of the entry will be allocated to primary prize and 5% allocated to the secondary prize where the primary pool is more than \$50,000 (i.e. total jackpot value is greater than \$300,000).
- (e) The Secondary Prize may continue to accrue until the Primary Prize is won.
- (f) When the Primary Prize is won, all funds held in the Secondary Prize Pool will be transferred to open the next Primary Prize.
- (g) The transfer shall be made immediately prior to the commencement of the next game.
- (h) The Secondary Prize is separate from the Primary Prize and does not form part of a Jackpot win.
- (i) The Secondary Prize Pool may be re-allocated to the Primary Prize Pool at any time with the approval of the Commission.

**7.5** Approval of the Commission

- (a) The Gaming Operator may, with the approval of the Commission, allocate such sums from the Secondary Prize to be allotted as Jackpot Bonus Prizes.
- (b) Amounts allocated as Jackpot Bonus Prizes may only be used for the benefit of the particular Jackpot game to which the Secondary Prize relates.

**7.6** Reimbursement to the Gaming Operator

- (a) The Gaming Operator may, with the approval of the Commission, allocate to the Primary Prize a Seed amount which will be refunded to the Gaming Operator according to the following table:
- (b) If the Seed is less than \$100,000, then 10% of the Entry is allocated to the Primary Prize and 10% allocated to the Seed;
- (c) If the Seed is equal to or greater than \$100,000, then 6% of the Entry is allocated to the Primary Prize and 14% allocated to the Seed.

- (d) No transfer may be made where the amounts contributed by the Gaming Operator have been fully reimbursed.

**7.7** The following conditions apply on the closure of the TABCORP central operating system:

- (a) All Player contributions to the Jackpot Primary and Secondary Prize Pools will be reconciled.
- (b) Player contributions to the Jackpot Primary and Secondary Prize Pools will be added as Player bet contributions to the FLEXSYS central operating system Jackpot Prize Pool.
- (c) Where the total Player contributions to the Jackpot Prize Pool are equal to or less than \$250,000.00, the full amount will be added to the 9-spot Jackpot Primary Prize.
- (d) Where the total Player Contributions to the Primary and Secondary Prize Pools are greater than \$250,000.10, the 9-spot Jackpot Primary Prize will be increased in increments of \$250,000.00. Where the first 9-spot jackpot has been won, an additional maximum of \$250,00.00 will be added to the 9-spot Jackpot Primary Prize, where this method will continue until the full amount from the TABCORP central operating system has been returned.

## **8 CANCELLATIONS**

- 8.1** Cancellations will only be available at the Venue where the Entry was accepted and only during the displayed trading hours of that Venue.
- 8.2** Subject to Rule 8.3 and 8.4, entries may be cancelled at any time during the game for which the Receipt Ticket is issued up to the time the first number is drawn in a game.
- 8.3** Cancellations on Multi-play Receipt Tickets are allowed for games in which the Receipt Ticket is issued but not played.
- 8.4** Where the games nominated on a Receipt Ticket are not run on the Keno day the wager was accepted, no cancellation of the remaining games will be permitted the following Keno day or any Keno day thereafter.

## **9 THE DRAW**

- 9.1** Each TABCORP Game of Keno will be identified by a number from 0 to 999. Identification from previous games with the same number (1000 games ago) will be further identified by reference to the game number and the Keno day.
- 9.2** Each FLEXSYS Game of Keno will be identified by a number from 0000 to 9999.

- 9.3** The drawing of the winning numbers shall take place only by an approved Random Number Generator.
- 9.4** The draw will be carried out after each game of Keno has closed in Venues that are operating from the TABCORP central operating system.
- 9.5** In the event of an error in transmission of winning numbers from the Central Site to a Venue, the winning numbers recorded on magnetic media at the Central Site verified by a Government Inspector will be the official record.
- 9.6** The approved Draw Display must be visible and operating for each Keno game in the area that the Keno game is for sale to players. In the event that the Draw Display is not operating and visible to players, sale of Keno games must cease until such time that the Draw Display is operating.

## **10 DISPLAY OF WINNING NUMBERS**

- 10.1** Subject to these Rules, the winning numbers of the most recent game of the Main Keno Game shall be displayed at a Venue during the Venue's trading hours. The monitor displaying the Game results must be positioned where it can only be viewed by patrons located within the venue that the Licensed Premises Gaming licence applies. Winning numbers will also be available by a Game Results Inquiry made on the Writer Terminal.
- 10.2** The Winning numbers for the TABCORP Game can also be obtained by contacting the Central Site helpdesk.

## **11 WINNING WAGERS**

- 11.1** All prizes will be paid in accordance with the Settlement Schedule relating to the game of Keno for which the Player has made a wager as contained in these Rules.
- 11.2** Subject to Rule 9.5, the Player may only win a prize on the game which corresponds with the game details that appear on the Receipt Ticket and reside on magnetic media at the Central Site.
- 11.3** Subject to Rule 9.5, a prize will only be paid on a winning Receipt Ticket, providing that the information printed on the Receipt Ticket corresponds with the information resident on magnetic media at the Central Site.
- 11.4** A game of Keno may include an additional approved prize or prizes.

## **12 END CUSTOMER WAGER**

### **12.1 Payment**

- (a) At a Licensed Premises, wagers will be accepted by a Keno Writer either by the tender of cash or the transfer or presentation of a Voucher – Other Approved.
- (b) At a Casino, wagers will be accepted by a Keno Writer either by the tender of cash, Replay, SST Receipt, chips or Vouchers – Other Approved, or at a SST by the tender of cash, Replay or SST Receipt.

### **12.2 The minimum wager for a game in the Main Keno Game shall be as follows:**

- (a) Except for Bonus Prize Pool games, the minimum wager for a Way ticket shall be 10 cents per “way” made, subject to a minimum aggregate wager, per game of Keno, of \$5.00.
- (b) For Bonus Prize Pool games the minimum wager regardless of bet type will be \$1.
- (c) For all other tickets purchased at a Writer Terminal, the minimum wager shall be \$1 and increment in multiples of \$1 per game to a maximum of \$1,999 for a single Receipt Ticket issued.
- (d) For all tickets purchased at a Self Service Terminal, the minimum wager shall be \$1 and increment in multiples of \$1 per game to a maximum of \$250 for a single Receipt Ticket issued.
- (e) For Feature Keno Games, the minimum wager will be as set out in Rule 21.

## **13 END CUSTOMER PAY**

**13.1** End Customer Pay, subject to Rule 13.6, can be made by cash, SST Receipt, Central Site Voucher, or Site Cheque Voucher.

**13.2** Where End Customer Pay requires the issue of a Central Site Voucher (CSV), the details of the account payee must be provided to the Gaming Operator and the Commission.

**13.3** Public personal anonymity will be at Player request, made to the Special Employee at the time any wins are confirmed.

- 13.4** A claim for the payment of prizes may be made at any Venue operating from the TABCORP central operating system, or alternatively:

## 18 PRO-RATING AND SHARING OF PRIZES

- 18.1** The maximum aggregate liability for all Major Prizes in a single game of the Main Keno Game, excluding Primary Prizes, shall be \$300,000 regardless of the amount wagered. For the purpose of this game, a Way Bet entry or a Set Bet entry shall be taken to be one entry for each way nominated.
- 18.2** In the event that Pro-rating is required in accordance with Rule 18.1, no Prize of \$2,000 or less will be reduced.
- 18.3** For the purposes of Pro-rating, a winning Receipt Ticket's share in the aggregate payout will be directly proportionate to the amount won.
- 18.4** In the event of more than one Jackpot winner, the Primary Prize amount for that Jackpot will be shared in proportion to the wagers placed on the winning combination of those Receipt Tickets.

## 19 LIMITATION OF LIABILITY

- 19.1** The Gaming Operator shall have no responsibility or liability to a Player, or any other person, by reason of the loss or destruction, for any reason or from any cause, of a Receipt Ticket beyond the amount of the wager paid in respect of the Receipt Ticket, unless at the discretion of the Gaming Operator, the criteria as set out in Rule 15 is met.
- 19.2** Subject to Rule 15, the Gaming Operator shall have no responsibility or liability to pay a Player who claims a prize and is unable to submit a Receipt Ticket. The Gaming Operator shall have discharged all liability in relation to payment of a prize by making payment to a person who has submitted a prize winning Receipt Ticket. The official record of payment shall be the image held on magnetic media at the Central Site.
- 19.3** The Gaming Operator and every employee of the Gaming Operator shall have no liability or responsibility for any consequence of interference with or interruption to any game of Keno due to fire, storm, flood, riot, civil commotion, strike, failure or disruption of electrical power supply or telecommunications or other cause not within the reasonable control of such person.

## 20 DISQUALIFICATIONS

**20.1** Notwithstanding that a Receipt Ticket may have been issued, entry in a game of Keno may be disqualified and no claim shall be entered in respect of it if the Gaming Operator and the Commission are of the opinion that it should be disqualified.

**20.2** The reasons for disqualification may include but are not limited to:

- (a) tender of insufficient wager or if the form of wager is not acceptable;
- (b) the Player has defaulted in payment of any previous fee;
- (c) reasonable suspicion of fraud or attempted fraud (whether computer related or otherwise);
- (d) Receipt Ticket or SST Receipt failing any security tests run at the Central Site;
- (e) reasonable suspicion of unauthorised use of a Writer Terminal or Self Service Terminal; or
- (f) any other breach of the Rules which justifies disqualification.

## 21 FEATURE KENO GAMES

**21.1** “Lucky Last”

- (a) “Lucky Last” is a feature Keno game where a Player must have:
  - (i) amongst their selected numbers for a Main Keno Game, the last number confirmed in that game draw; and
  - (ii) entered the “Lucky Last” feature.
- (b) The following Lucky Last Settlement Schedule is based on a minimum wager of \$1:

Number of Selections in a Game	Win \$	Number of Selections in a Game	Win \$
1	60.00	9	6.50
2	30.00	10	6.00
3	20.00	11	5.50

5	12.00	13	4.50
6	10.00	14	4.00
7	8.50	15	4.00
8	7.50		

## 21.2 “Heads or Tails”

- (a) “Heads or Tails” is a feature Keno game where a Player forecasts the distribution of the numbers drawn in the Main Keno Game as being either one of “Heads”, “Tails” or “Evens”, where –
- (i) “Heads” means that eleven (11) or more of the twenty (20) numbers drawn in a Main Keno Game, are numbers in the range between 1 to 40 inclusive.
  - (ii) “Tails” means that eleven (11) or more of the twenty (20) numbers drawn in a Main Keno Game, are numbers in the range between 41 to 80 inclusive.
  - (iii) “Evens” means that of the twenty (20) numbers drawn in a Main Keno Game, ten (10) numbers are in the range between 1 and 40 inclusive and ten (10) numbers are in the range between 41 and 80 inclusive.
- (b) The minimum wager is \$1 per entry per game and increments in multiples thereof up to a maximum of \$500 per entry per game at a Writer Terminal and \$250 per entry per game at a Self Service Terminal.
- (c) A Player may enter the game as many times as they choose, subject to the aggregate of the wagers on any one of the results in any one game not exceeding:
- (i) When the forecast result is either “Heads” or “Tails” - \$500,000; or
  - (ii) When the forecast result is “Evens” - \$170,000.
- (d) The following “Heads or Tails” feature Settlement Schedule is based on a minimum wager of \$1:

SELECTION	PAYS
Heads	\$2.00
Tails	\$2.00
Evens	\$4.00

## 21.3 “Keno Racing”

- (a) A venue offering the feature game “Keno Racing” will have a monitor dedicated to the display of the game or some other alternative form of displaying the results of each game. The Commission must approve that alternative form of display.
- (b) “Keno Racing” is a feature Keno game where a Player forecasts the distribution of the drawn numbers across the rows of the Keno Grid in each game. The Player attempts to forecast which Row shall be “First”, “Second” or “Third” as described below:

- (i) "First" is the Row that has the highest count of drawn numbers at the end of the Game of Keno.
  - (ii) "Second" is the Row that has the second highest count of drawn numbers at the end of the Game of Keno.
  - (iii) "Third" is the Row that has the third highest count of drawn numbers at the end of the game of Keno.
- (c) When two or more Rows have the same amount of drawn numbers at the end of the Game of Keno, the Row that achieved that amount of drawn numbers first in the Game of Keno shall be placed ahead of the other Row or Rows and so on until an order is achieved. In the event that two Rows each have an amount of 10 drawn numbers at the end of the Game of Keno, all the remaining Rows shall be declared "Third".
- (d) In this form of game, a Player may select one or more bet types in attempting to forecast the order of the Rows. These bet types are described as follows:
- (i) A "Win", where a Player attempts to forecast which Row shall be "First";
  - (ii) A "Place", where a Player attempts to forecast that a selected Row shall be either "First", "Second", or "Third";
  - (iii) A "Quinella", where a Player attempts to forecast which two Rows shall be "First" and "Second" irrespective of their order;
  - (iv) An "Exact Quinella", where a Player attempts to forecast which two Rows shall be "First" and "Second" in the correct order;
  - (v) A "Trio", where a Player attempts to forecast which three Rows shall be "First", "Second" and "Third" irrespective of their order; and
  - (vi) A "Trifecta", where a Player attempts to forecast which three Rows shall be "First", "Second" and "Third" in the correct order.
- (e) If the Player correctly forecasts the result of that game, then subject to these rules, a prize shall be payable.
- (f) A Player in a game of Keno Racing may make more than one selection per entry.
- (g) The minimum wager in respect of a game of Keno Racing shall be \$0.50 per each bet made subject to a minimum aggregate wager per game of Keno Racing of \$1.00.
- (h) For all tickets, the minimum wager shall be \$1.00 and increment in multiples of \$1.00 per game to a maximum of \$1,999 for a single Receipt Ticket issued.

- (i) The following "Keno Racing" feature Settlement Schedule is based on the minimum wager of \$1.00.

Bet Type	Prize
Win	\$6.00
Place	\$2.00
Quinella	\$21.00
Exact Quinella	\$42.00
Trio	\$42.00
Trifecta	\$252.00

#### 21.4 "Keno Xtra"

- (a) Keno Xtra is a feature game where the Player can multiply the standard keno prize up to x2, x3, x4, x5 or x10. The prize is not to be multiplied when the result is x1.
- (b) The multiplier is the value used to determine the major prize for the keno game if a keno multiplier wager is made in conjunction with a winning wager.
- (c) The multiplier is the value assigned to the cumulative total of 20 numbers drawn for the keno game, as per the settlement table for Keno Xtra.
- (d) A Keno Xtra wager must be the same amount as the keno wager for the related keno game.
- (e) If the number of Keno Xtra being played on a wager is less than the keno games being played on the ticket, the Keno Xtra wagers are made on the first, and immediately following, keno games on the ticket until all the Keno Xtra wagers have been made.
- (f) For a Keno Xtra wager, the words 'Keno Xtra' are shown for the first and last related keno games on the Receipt Ticket.
- (g) Whether or not the wager a Player intended to make on a keno game would have been a winning wager, the Keno Xtra prize will only be paid if the words 'Keno Xtra' are shown on the Receipt Ticket for the related keno game.
- (h) Listed below are the Keno Xtra Multipliers assigned to the addition of the 20 numbers drawn in the main keno game:
