The Secretary,

Department of Treasury and Finance,

Dear Secretary,

Thank you for the opportunity to comment on the future of gaming in Tasmania. We support the creation of individual venue licences to operate EGM's in hotels and clubs and we support the majority of key changes proposed.

However, we believe the current cap of 30 EGMs for hotels and 40 for clubs is unfair. We think hotels should be able to have 40 too.

We would appreciate you considering this in your review.

Yours sincerely,
