The Secretary,

Department of Treasury and Finance,

Email: [future.gaming@treasury.tas.gov.au](mailto:future.gaming@treasury.tas.gov.au)

Dear Secretary,

We support the changes proposed by the State Government for the future of gaming but with the exception that Keno commission isn't changed.

We would like the Keno commission to be higher. It is currently 8.5% and we believe it should be a minimum of 10%.

Yours sincerely,
